

READY... STEADY... PRIMARY SCHOOL!

DEAR SCHOOLCHILDREN!

Exciting times ahead! This fall you will start **PRIMARY SCHOOL**, where you will learn new things, meet teachers and make new friends.

FJÓLA is starting primary school, just like you! In this book, you can read about her first day

Grown ups can find various information about starting primary school at **www.reykjavik.is/grunnskolar**. You can open the page by scanning the QR-code on the back of this book.

WE LOOK FORWARD
TO SEEING YOU!

Hi! My name is Fjóra
and I'm about to start
PRIMARY SCHOOL!

My mom and dad
are a teeeensy bit
stressed out about it

They got an e-mail
from the city,
reminding them to
register for me.

Huh? Wait, what?

What
day is it?

You are
caller#

ARGH!!

It's good we
already visited
my new school!

Me, my mom and dad
went to meet my teacher,
Gunnlaugur, and got to see
the school building

It made them
feel much better!

The first day of school was a bit different

It was a special day, just for meeting the teachers

Blah blah... drawing... blah blah colours... blah blah

The grown ups were also supposed to meet the teachers

Not everyone knew that!

FIRST DAY OF SCHOOL

RECESS!

We dress for the weather when playing outside!

It's important to label all the clothes you bring to school in case you misplace them!

Did you label your coat?

Of course!

Some kids have a school lunch subscription...

...others bring a packed lunch

But Kristján doesn't have any food!

Oh no, me and grandma forgot to pack my lunch!

That's OK!

We can share mine!

When mom and dad finish working...

...they come running to pick me up!

Fjóla!

Mom!

Dad!

They have been thinking about me all day!

How was school?

Did you eat your lunch?

Do you have your stuff?

Haha!

What did you do?

Did you have fun?

Are you hungry?

The grown ups sure can worry a lot! Luckily, they have us kids to help them out!

SEE YA!

The end

Before I start
PRIMARY SCHOOL

I'm going to practice:

- ☐ tying my shoes
- ☐ getting dressed to go out
- ☐ going to the bathroom by myself
- ☐ learning the route between my house and school
- ☐ using a knife and fork
