Standing with you – Guy Sebastian

The more I tell you you can do this
The more you tell yourself you're useless
Any advice right now is fruitless
You're somewhere only you can go
I won't pretend to know, so

Instead of telling you, "You'll be alright"
I'm just gon' be that someone by your side
Yeah, let me be that distant satellite
A constant in the sky

Cause I'm standing with you tonight
Yeah, I will be that voice in your ear
Quietly destroying your fear
You won't even know that I'm here
But I'm standing with you tonight
Oh, I will be the pill for your pain
Until the clouds have run out of rain
Close enough but just out of sight
I'm standing with you tonight

Your head is full and yet it's hollow
Don't even think about tomorrow
So if you let me, I will follow
Oh, if you're gonna go
At least you're gonna know, oh

Instead of telling you, "You'll be alright"
I'm just gon' be that someone by your side
Oh, let me be that distant satellite
A constant in the sky

I'm standing with you tonight
Yeah, I will be that voice in your ear
Quietly destroying your fear
You won't even know that I'm here
But I'm standing with you tonight
Oh, I will be the pill for your pain
Until the clouds have run out of rain
Close enough but just out of sight
I'm standing with you

I know I may not say the right thing
Let me tell you one thing
Yeah, 'cause there is one thing
You're wrong about
This world would not be a better place
I don't wanna lose you now

Yeah, I will be that voice in your ear
Quietly destroying your fear
You won't even know that I'm here
I'm standing with you tonight
Oh, I will be the pill for your pain
Until the clouds have run out of rain
Close enough but just out of sight
I'm standing with you tonight

Please don't say you love me – Gabrielle Aplin

<p>Summer comes, winter fades Here we are, just the same Don't need pressure, don't need change Let's not give the game away There used to be an empty space A photograph without a face But with your presence and your grace Everything falls into place</p> <p>Just please don't say you love me 'Cause I might not say it back Doesn't mean my heart stops skipping when You look at me like that There's no need to worry when You see just where we're at Just please don't say you love me 'Cause I might not say it back</p> <p>Heavy words are hard to take Under pressure, precious things can break And how we feel is hard to fake So let's not give the game away Just please don't say you love me 'Cause I might not say it back Doesn't mean my heart stops skipping when You look at me like that There's no need to worry when You see just where we're at Just please don't say you love me 'Cause I might not say it back</p> <p>Fools rush in And I've been the fool before This time, I'm gonna slow it down 'Cause I think this could be more The thing I'm looking for</p>	<p>Just please don't say you love me 'Cause I might not say it back Doesn't mean my heart stops skipping when You look at me like that There's no need to worry when You see just where we're at Just please don't say you love me 'Cause I might not say it back</p> <p>Please don't say you love me 'Cause I might not say it back Doesn't mean my heart stops skipping when You look at me like that There's no need to worry when You see just where we're at Just please don't say you love me 'Cause I might not say it back</p> <p>Just please don't say you love me 'Cause I might not say it back</p>

Ástrós – Bubbi Morthens

<p>Hann var látinn er löggan kom á staðinn, lagði á mig hendur sagði hún föl. Flowers – Miley Cyrus

We were good, we were gold
Kinda dream that can't be sold
We were right 'til we weren't
Built a home and watched it burn
Mm, I didn't wanna leave you
I didn't wanna lie
Started to cry, but then remembered I

I can buy myself flowers
Write my name in the sand
Talk to myself for hours
Say things you don't understand
I can take myself dancing
And I can hold my own hand
Yeah, I can love me better than you can

Can love me better
I can love me better, baby
Can love me better
I can love me better, baby

Paint my nails cherry red
Match the roses that you left
No remorse, no regret
I forgive every word you said

Ooh, I didn't wanna leave you, baby
I didn't wanna fight
Started to cry, but then remembered I

I can buy myself flowers
Write my name in the sand
Talk to myself for hours, yeah
Say things you don't understand
I can take myself dancing, yeah
I can hold my own hand
Yeah, I can love me better than you can
Can love me better
I can love me better, baby
Can love me better
I can love me better, baby
Can love me better
I can love me better, baby
Can love me better
Oh, I

Sorry – Justin Bieber

<p>You gotta go and get angry at all of my honesty You know I try, but I don't do too well with apologies I hope I don't run out of time, could someone call a referee? 'Cause I just need one more shot at forgiveness I know you know that I made those mistakes maybe once or twice And by once or twice, I mean maybe a couple of hundred times So let me, oh, let me redeem, oh, redeem, oh, myself tonight 'Cause I just need one more shot at second chances</p> <p>Yeah, is it too late now to say sorry? 'Cause I'm missing more than just your body Oh, is it too late now to say sorry? Yeah, I know that I let you down Is it too late to say I'm sorry now?</p> <p>I'm sorry, yeah Sorry, yeah Sorry Yeah, I know that I let you down Is it too late to say I'm sorry now?</p> <p>I'll take every single piece of the blame if you want me to But you know that there is no innocent one in this game for two I'll go, I'll go and then you go, you go out and spill the truth Can we both say the words and forget this?</p>	<p>Yeah, is it too late now to say sorry? 'Cause I'm missing more than just your body Oh, is it too late now to say sorry? Yeah, I know that I let you down Is it too late to say I'm sorry now? The middle – Zedd, Maren Morris & Grey

<p>Take a seat Right over there, sat on the stairs Stay or leave The cabinets are bare, and I'm unaware Of just how we got into this mess, got so aggressive I know we meant all good intentions</p> <p>So pull me closer Why don't you pull me close? Why don't you come on over? I can't just let you go</p> <p>Oh baby, why don't you just meet me in the middle? I'm losing my mind just a little So why don't you just meet me in the middle? In the middle Baby, why don't you just meet me in the middle? I'm losing my mind just a little So why don't you just meet me in the middle? In the middle</p> <p>Oh, take a step Back for a minute, into the kitchen Floors are wet And taps are still runnin', dishes are broken How did we get into this mess? Got so aggressive I know we meant all good intentions</p>	<p>So pull me closer Why don't you pull me close? Why don't you come on over? I can't just let you go</p> <p>Oh baby, why don't you just meet me in the middle? I'm losing my mind just a little So why don't you just meet me in the middle? In the middle</p> <p>Lookin' at you, I can't lie Just pourin' out admission Regardless of my objection, oh, oh And it's not about my pride I need you on my skin Just come over, pull me in, just</p> <p>Oh, baby, why don't you just meet me in the middle? I'm losing my mind just a little So why don't you just meet me in the middle? In the middle, no, no Baby, why don't you just meet me in the middle? Oh yeah, I'm losing my mind just a little So why don't you just meet me in the middle? Oh, in the middle Baby-y-y, why don't you just meet me in the middle, baby? I'm losing my mind just a little So why don't you just meet me in the middle, middle? In the middle, middle</p>

We can work it out – The Beatles

<p>Try to see it my way, Do I have to keep on talking till I can't go on? While you see it your way, Run the risk of knowing that our love may soon be gone.</p> <p>We can work it out, We can work it out.</p> <p>Think of what you're saying. You can get it wrong and still you think that it's alright. Think of what I'm saying, We can work it out and get it straight, or say good night.</p> <p>We can work it out, We can work it out.</p> <p>Life is very short, and there's no time For fussing and fighting, my friend. I have always thought that it's a crime, So I will ask you once again.</p> <p>Try to see it my way, Only time will tell if I am right or I am wrong. While you see it your way There's a chance that we may fall apart before too long.</p>	<p>We can work it out, We can work it out.</p> <p>Life is very short, and there's no time For fussing and fighting, my friend. Just give me a reason – Pink

Right from the start
You were a thief, you stole my heart
And I, your willing victim
I let you see the parts of me, that weren't
all that pretty
And with every touch you fixed them
Now you've been talking in your sleep, oh
oh
Things you never say to me, oh oh
Tell me that you've had enough
Of our love, our love

Just give me a reason, just a little bit's
enough
Just a second, we're not broken, just bent
and we can learn to love again
It's in the stars, it's been written in the scars
on our hearts
We're not broken, just bent, and we can
learn to love again

I'm sorry I don't understand
Where all of this is coming from
I thought that we were fine (oh, we had
everything)
Your head is running wild again
My dear we still have everythin'
And it's all in your mind (yeah, but this is
happenin')
You've been havin' real bad dreams, oh oh
You used to lie so close to me, oh oh
There's nothing more than empty sheets
between our love, our love
Oh, our love, our love (love)

Just give me a reason, just a little bit's
enough
Just a second we're not broken just bent
and we can learn to love again
I never stop, you're still written in the scars
on my heart
You're not broken, just bent, and we can
learn to love again

Oh, tear ducts and rust
I'll fix it for us
We're collecting dust, but our love's enough
You're holding it in
You're pouring a drink
No, nothing is as bad as it seems
We'll come clean

Just give me a reason, just a little bit's
enough
Just a second, we're not broken, just bent
and we can learn to love again
It's in the stars, it's been written in the scars
on our hearts
That we're not broken just bent and we can
learn to love again

Just give me a reason, just a little bit's
enough
Just a second, we're not broken, just bent,
and we can learn to love again
It's in the stars, it's been written in the scars
on our hearts
That we're not broken, just bent and we can
learn to love again

Oh, we can learn to love again
Oh, can learn to love again
Oh, that we're not broken, just bent and we
can learn to love again
