

Viðbygging við Perluna, bygging nýs vatnstanks og breytingar á stígakerfi

A wide-angle photograph taken from a rooftop, showing a man and a woman in the foreground looking out over a city. The man, on the right, is wearing a brown t-shirt and has short brown hair. The woman, on the left, is wearing a black sleeveless top and has her hair in a ponytail. They are standing on a rooftop with a white railing. The city below is densely packed with buildings, mostly with red roofs. In the distance, a large body of water is visible, and a few tall buildings stand out on the horizon. The sky is blue with scattered white clouds, and a flock of birds is flying in the upper right corner. The overall scene is bright and clear, suggesting a sunny day.

A group of people are walking along a paved path in a park. In the foreground, a man and a woman are walking away from the camera, looking towards a large green climbing wall. The man is wearing a white shirt and orange pants, and the woman is wearing a pink shirt and black pants. They are both looking at the wall. The wall is covered in colorful climbing holds. Several other people are climbing the wall. A dog is walking on the path. The path is paved and leads towards the wall. The background is a grassy area with trees and a blue sky with clouds.

A wide-angle photograph of the Reichstag dome in Berlin. The building's iconic glass and steel dome is the central focus, reflecting the overcast sky. The base of the dome is composed of several large, curved, light-colored panels. A paved path leads from the foreground towards the entrance of the dome. The foreground is a grassy field with some dry patches. The sky is filled with heavy, grey clouds, creating a dramatic atmosphere.
